Ride-On	GPMC0324K	Rover Kit	\$ 39,900.00	The all new CPS Rover. Propane powered remote ride-on grinder. It has motorized wheels with zero radius turn. 5 speed settings to dial in the pace based upon the tools you're using. Both gravity fed and pump spray mister. Removable travel wheel and both forward and rear facing LED lights.		1400Lbs
Ride-On	GPMC0325K	Electric Rover Kit	\$ 39,900.00	The all new CPS Rover. 230/3 phase or 480/3 phase powered remote ride-on grinder. It has motorized wheels with zero radius turn. 5 speed settings to dial in the pace based upon the tools you're using. Both gravity fed and pump spray mister. Removable travel wheel and both forward and rear facing LED lights.		1400Lbs
32 " Grinder	GPMC0097K	G320 DPro Grinder Kit	\$ 24,500.00	The CPS G320DPro is an extremely effective, heavy duty grinder. The 31HP propane engine is ideal to withstand the workout of heavy coatings removal and surface preparation, grinding and polishing concrete, terrazzo, marble, and granite.		1050Lbs
32" Grinder	GPMC0066K	G320 D Grinder Kit	\$ 23,500.00	The CPS G320D is an extremely effective, heavy duty grinder. The 20HP electric motor is ideal to withstand the workout of heavy coatings removal and surface preparation, grinding and polishing concrete, terrazzo, marble, and granite.		1050Lbs
29" Grinder	GPMC0310K	G290 Propane Grinder Kit	\$ 19,500.00	The G290XTPro has a low profile bell-shaped shroud allowing the operator to get under racks and base cabinets greatly reducing hand tool work. It's 18HP engine provides plenty of torque for the most grueling of removal.		950Lbs

Category	Item Number	Item Name	List Price	Item Description	Item Image	Weight
29" Grinder	GPMC0307K	G290 electric kit	\$ 19,000.00	The G290XT Electric has a 10HP motor and can be configured in single or 3Ph power. This grinder features a bell-shaped shroud allowing the operator to get under racks and base cabinets. This machine gives the production rates of larger machines and affordability.		950Lbs
25" Grinder	GPMC0298K	G250XTPro Grinder Kit	\$ 17,900.00	The CPS G250XTPro is an extremely effective, heavy duty grinder. The 18HP propane engine is ideal to withstand the workout of heavy coatings removal and surface preparation, grinding and polishing concrete, terrazzo, marble, and granite.		900Lbs
25" Grinder	GPMC0063K	G250 Grinder Kit-electric	\$ 16,900.00	The CPS G-250 is an easy to operate planetary grinder that packs a punch with a 10HP electric motor. Its lightweight and narrow aluminum frame and single phase power requirements are perfect for residential and light commercial applications.		900Lbs
21" Grinder	GPMC0321	G210 Grinder	\$ 6,900.00	The CPS G-210 is our 21" light duty grinder. It has a single head, variable speed, and forward/reverse to make it adaptable to most jobs and 5HP 1/220V to make it aggressive. Uses 6 tools and can run metals, hybrids, and resins. Excellent for a rental fleet or start-ups.		350Lbs
17" Grinder	GPMC0319KIT	G170 grinder kit	\$ 6,500.00	The CPS G-170 is our 17" light duty grinder. It has a single head, variable speed, and forward/reverse to make it adaptable to most jobs and 5HP 1/220V to make it aggressive. Uses 6 tools and can run metals, hybrids, and resins. Excellent for a rental fleet or start-ups.		350Lbs

Category	Item Number	Item Name	List Price	Item Description	Item Image	Weight
10.5" Edge Grinder	GPMC0098K	G-120 Multi - 1/220 Kit	\$ 6,500.00	CPS Edger touts an impressive, 3 hp motor and over 100 lbs of down pressure without any added weight. Both variable speed and reversible, the Edger is designed to reach under low overhangs and has the added convenience of using the same tooling as your G320D or G250!		200Lbs
Vaccum System Extractor Unit	GPMC0279K	Cat 5 Propane Extractor Kit	\$ 13,500.00	The CAT 5 Pro has all the features of the electric model plus no cords to lug around. An included 33lbs vapor draw propane cylinder will allow approximately 8 hours of continuous operation. Also comes with 100ft of 2inch hose.		1000Lbs
Vaccum System Extractor Unit	GPMC0012K	Cat 5 Dust Extractor Kit	\$ 12,500.00	The CAT 5 dust extractor is built on a heavy duty industrial grade frame. It features dual pleated pre-filters and HEPA certified filter. 400CFM and 120 inch water lift. It's continuous bagging system means you can keep it running while changing out the bag.		1000Lbs
Vaccum System Interceptor Unit	GPMC0002K	CPS Cat 5 Dust Interceptor Kit	\$ 2,800.00	It contains no filters and works by spinning the lighter material therefore dropping the heavy material. Increases production by capturing up to 85% of the largest dust particles before reaching the filters.		350Lbs
Misc Vacuum Parts	GPPT0102	Vacuum Wand with Swivel Head	\$ 130.00	Replacement vacuum wand with dual squeegee 18 inch swivel head. Wand fits 2 inch diameter hose.		10Lbs

Category	Item Number	Item Name	List Price	Item Description	Item Image	Weight
Light-Duty Vacuum System Extractor Unit	GPMC0301	CAT4 Vacuum 110 V	\$ 2,600.00	is compact but powerful enough (267CFM and 97" waterlift) to keep up with up to 25 inch grinders. Its 3 motor design with self purging filters allows for continuous runtime. 110 volt requirement means it can be plugged into any standard outlet. Comes with 29 feet of hose and a rubber squeegee wand.		200Lbs
Aggressive Stock Removal Machine	GPMC0099	SuperShaver - 21hp	\$ 24,900.00	Concrete planing machine used for extensive stock and high build coating removal. Using 24 of 1/4 inch wide blades and vertical rotation, this machine planes up to 3/8" deep leaving a corduroy profile in the surface.		Direct Ship From Europe Included In Price
1 Line In/2 Lines Out With Protective Fuses On All 3 legs	GPPT0132	460v Three Phase Distribution Box with Pin and Sleeve Assy	\$ 1,379.00	This custom made distribution box allows you to plug 1 end into the power source and has 2 recepticles. One for your grinder and one for your vacuum. Comes with 100ft of 8/4 cord.		75Lbs
1 Line In/2 Lines Out With Protective Fuses On All 3 legs	GPPT0649	208-230 volt 3 phase 60 amp. Distribution Box	\$ 1,379.00	This custom made distribution box allows you to plug 1 end into the power source and has 2 recepticles. One for your grinder and one for your vacuum. Comes with 25ft of 6/4 cord.		75Lbs
1 Line In/2 Lines Out With Protective Fuses On Both Lines	GPPT0281	230V Single Phase Distribution Box	\$ 885.00	This custom made distribution box allows you to plug 1 end into the power source and has 2 recepticles. One for your grinder and one for your vacuum. Comes with 50ft of 8/4 cord.		60Lbs
